TEMPERANCE ADVOCATE

IS DEPUTY KELIUKA F
KONA WHO VISITS HILO

MISSION OF THE DEPUTIES.
SOME THINK THERE IS NO
REASON FOR COURT
KICK.

(Special to The Bulletin)
Hilo, Dec. 14.—Deputy Sheriff Kelikoa of North Kona, David Baker of South Kona and J. Kekaula of Kau are at present in Hilo. The real reason for their visit is to give information to the Board of Supervisors as to the details of pay necessary to run the police force of their respective districts, and not to answer to any charges of drunkenness or incompetency, etc., as alleged in the Kailua notes of the Weekly Bulletin of Dec. 12th. The writer of the note had evidently jumped to the conclusion that they had gone to answer charges, being ready enough to find fault with the police. As for drinking, it is well known that Deputy Kelikoa is an active temperance advocate and has been so for many years.

Messrs. Thos. White, public land agent for these districts, and Jacob Cooper, visited the Waialua public lands on the 12th inst.

Thos. White goes to Honolulu on business on the Mauna Loa of the 14th inst. Mrs. White accompanies him, and during their stay will be the guests of Mrs. Carrie Robinson, Kula, Oahu. The Whites expect to remain in Honolulu over the holidays.

Attorney Harry T. Mills of the Kona is at home, having returned from attending the Circuit Court at Kau. He reports that the Akau damage suit against Dr. E. S. Goodhue is being proceeded with.

There is no reason why the Kohalas should make such a horrible roar over having to attend the Kau court term, as the Kaus formerly have always had to attend the Kohala court terms like good Samaritans. Kohala never realized before the distance the Kaus have had to travel there for years.

Another petition is out this week addressed to Sheriff Wm. Keolanui of the County of Hawaii, recommending John R. Costa as Portuguese police officer for this district. Mr. Costa is well versed in reading and writing the English language, also in reading and writing Hawaiian.

ST. LOUIS ALUMNI

The second quarterly meeting of the St. Louis College Alumni Association was held in the social hall of the college at 10 a. m. Sunday morning.

The Alumni was formed last July, and it has a membership roll of 150 members at present, among whom are many influential citizens of our cosmopolitan community.

The Association proposes to maintain and promote the moral, intellectual, social and financial standing of its members. Its first object is to unite men of good moral character and by association to develop and strengthen same in all its members.

To provide for its own future, the Association proposes to offer a helping hand to its Alma Mater by assisting in maintaining scholarships and in establishing special studies.

Brother Walters of the college addressed the members and students on the advantages and the great assistance which an Alumni Association renders to its Alma Mater in establishing special studies, and in maintaining scholarships for deserving young graduates in completing their education on the mainland.

OUR NEW BOAT

The San Diego Sun contains the following:

A dispatch received by the Sun contains news of great importance to one of three cities: San Diego, Los Angeles or San Francisco, as follows:

"San Francisco, Dec. 1.—Four of the biggest sugar men in Hawaii came to the Coast about a month ago for the purpose of taking preliminary steps for the establishment of a new line of steamers between the Coast and Honolulu.

"Many of the leading capitalists on the Islands are dissatisfied with the service on operation.

"Suitable passenger accommodations cannot be secured any time in advance of the sailing dates. The steamship companies are desirous of securing as much through travel to the Orient as possible, and are willing to sacrifice the local trade between this port and Honolulu.

"These capitalists are understood to control unlimited capital. The Pacific Coast port for the steamers has not been decided upon.

"The purpose is to build two 10,000-ton steamships, patterned after the Pacific Mail liners."

A line of steamers to be operated exclusively between the Coast and the Islands is greatly needed, and big capitalists at Honolulu will consummate the proposition as soon as the details have been worked out and found feasible.

When Sir Henry Irving made his first appearance as Hamlet in Manchester, the "properties" were very different from those with which he surrounded himself later at the Lyceum in London, and night after night he made his speech, "Alas, poor Yorick!" to a blackened urn and beheld King Claudius in the last act majestically drinking from a marmalade jar in the sticky disguise of varnished gold paint.

By the will of Marshall Simonds, late of Woburn, Mass., he presented the town of Burlington his farm and buildings for park purposes, to bear the name of Simonds Park.

PASS MAUI BUDGET

EARLY MORNING ASSEMBLY
OF COUNTY SUPERVISORS

WERE PREVIOUSLY IN SESSION
WITH COUNTY COMMITTEE
LEADERS—TAXES WERE
\$50,000, LARGER.

(Special to The Bulletin)
Wailuku, Maui, Dec. 15.—In compliance with the provisions of section 63, chapter XIV, Act 39, Session Laws of 1905, known as County Act, the Board of Supervisors of Maui County had a preliminary meeting on Thursday, December 14, at Kepohai building to "prepare a budget or estimate of expenditures for salaries and pay rolls and for public improvements for the ensuing fiscal year."

During the forenoon the four Republican members of the Board of Supervisors were closeted for four hours with the members of the executive committee of the County Committee of the Republican party for this County. Among those present at the County Committee meeting were: Chairman H. P. Baldwin, H. A. Baldwin, G. S. Baldwin, A. N. Keokai, proxy for H. Howell; R. A. Wadsworth, proxy for S. Kapu. Mr. Keola acted as secretary in the absence of S. Keolani, who was at Kahakuloa on business connected with the party. The estimates for public improvements for road and bridges, prepared by Hugh Howell, Territorial civil and road engineer, amounting to \$98,400, were discussed in caucus by the executive of the County Committee with the Republican members of the Board of Supervisors. The joint committee meeting recommended to the Board of Supervisors the apportionment of appropriations for roads and bridges for the coming year, as follows:

District	Per cent.	
Wailuku	29 1-2	\$26,550.00
Makawao	29 1-2	26,550.00
Hana	10	9,000.00
Lahaina	23 1-2	21,150.00
Molokai	7	6,300.00
Lanai	1-2	450.00

Total \$90,000.00
The above estimates were based on the tax returns for Maui County for 1905, which will be about \$248,000, or an increase of about \$50,000 over last year's property and income tax collections.

The Board of Supervisors met in open session during the afternoon to discuss on the budget for 1906. They met again in the evening and adjourned at 9 p. m.

On Friday morning, Dec. 15, at 7:30 a. m., after waiting twenty minutes for W. H. Cornwell, who promised to be present, the four Republican members of the Board of Supervisors, viz.: Henning (chairman), Church, Meyer and Halualani, passed on the following appropriations, viz.:

BUDGET FOR 1906.	
Salaries Supervisors	\$ 3,000.00
County Clerk	1,200.00
Auditor	1,500.00
Treasurer	1,500.00
Sheriff	1,800.00
County Attorney	1,800.00
Deputy Sheriffs (5)	4,680.00
Sheriff's Clerk	960.00
Deputy County Attorney	960.00
Stenographer to County Attorney	600.00
Pay of Police	\$5100
Wailuku	3780
Lahaina	3420
Makawao	2880
Hana	1560
Molokai	600.00
Pay of Specials	1,740.00
Prison Guards, County	1,680.00
Hack and Sanitary Inspectors	1,680.00

Total Salaries and Pay Incidentals—
Supervisors \$ 1,000.00
Sheriff's Dept. 1,700.00
County Clerk 300.00
Treasurer 400.00
Auditor 300.00
Care Town Clock 60.00

Support and Maintenance of County Prisoners \$ 500.00
Expenses Witnesses 500.00
Coroners' Inquests 600.00
Furniture and Office Supplies 500.00
Total \$ 2,100.00

The Board of Supervisors adjourned at 7:30 p. m. to meet again January 2, 1906. It will be seen from the above that the Board of Supervisors passed the appropriations for improvements at \$68,000, or \$30,000 less than the estimates prepared by Mr. Howell, engineer; also \$22,000 less than the total recommended by the joint committee.

It is likely that during the coming year new appropriations may be needed for creating new offices, such as civil and road engineers, assistants, etc., and the total appropriation proposed for roads and bridges may be still reduced to about \$50,000. Even then the County of Maui would be getting more for public improvements in a single year than it ever did under all previous forms of government since the days of King Kamehamehi. By actual computation, Maui never had \$20,000 worth of public improvements spent in a single year heretofore, so the taxpayers and voters of Maui County should applaud the action of the Maui Board of Supervisors in making this unparalleled provision for public improvements in this very much neglected island.

The chances are if the same Board of Supervisors continue in office for another two years, Maui County can boast of having good roads to travel in all sorts of weather, and when Sec-

retary Atkinson visits us again he will have no occasion to repeat that Maui roads are the worst in the Territory.

County government makes the difference and the Republican members of the Board of Supervisors are the live men at the head of our County affairs who will cause these achievements in the history of public improvements. The Board of Supervisors are likewise trying their level best to keep down the salary pay rolls to \$45,000 for the year and none but the actually needed offices outside of those created by statute will be provided for.
